Secretary General, IUAES  
Osaka University

Sub: Participation of the members of the Japanese Society of Cultural Anthropology at the 2012 IUAES Inter-congress

Dear Professor KOIZUMI,

Greetings from India!

This has a reference to my letter to Professor Yoshio WANTANABE, President of JASCA dated 22<sup>nd</sup> November 2011. You will be happy to know that IUAES 2012 Inter-congress will be held in KIIT University, Bhubaneswar, India during November 26-30, 2012. The theme of the Inter-congress is "Children and Youth in a Changing World". We are expecting large number of eminent childhood experts/anthropologists from different parts of the world in the conference. The website of the conference is now operational at <<http://www.kiit.ac.in/iuaes>>. Noteworthy are the modestly priced and attractive on-campus accommodations.

I take this opportunity to invite you to organise a panel and participate in the Inter-congress. We will be very pleased if you also motivate the members of Japanese Society of Cultural Anthropology to participate in the 2012 IUAES Inter-congress. Though deadline for submission of the abstract of paper is already over, as a special case we will extend it up to 15<sup>th</sup> July for the participants of Japanese Society of Cultural Anthropology.

We will be in touch with all prospective presenters via email with updates. Kindly pass on information about the Inter-congress and the new deadline for submission of abstract to all the members of the Japanese Society of Cultural Anthropology.

Please share your ideas with us. Let us stay in touch.  
With best wishes and regards,

Yours sincerely,

(Professor Deepak Kumar Behera)
